To report sales to wholesalers you will either manually enter the information by Invoice Entry – Manual or Invoice Entry-Upload. You will not do both. See the instructions for both options that follow.

Invoice Entry-Manual: Click on the +/- button next to Invoice Entry-Manual to Expand/Collapse the section to manually enter your invoice information. This tab allows you to manually enter all of your invoices to Missouri wholesalers including your own wholesale license if applicable. You will enter each invoice separately. If you have multiple alcohol types on an invoice you will do a separate entry for each alcohol type. After each record is saved it will display on the bottom of the screen. To remove an invoice you will click the Delete option in front of the box.
