MALT DETAILS:
Enter the brand label details from information found on your approved Federal TTB COLA. Required fields are Class/Type (CT), Origin (OR), Brand Name and Alcohol Percent by Volume.

If the name of the Primary Source is invalid or missing, click on the “Contact ATC” link. This link will send ATC an email that will require you to attach the Federal TTB-COLA and Primary Source letter. You will not be able to move forward with this registration until ATC notifies you via email that the Primary Source has been added.

You have the option of selecting a template that you created, selecting individual wholesaler(s) or adding a new template for brand label registration.

If you are a Domestic Winery, the system will automatically appoint your license number as a wholesaler.

Continue with the steps above to add additional wholesalers.

WHOLESALER TEMPLATE MANAGEMENT:

At any time you can update the template by removing and/or adding additional wholesalers to the template. To terminate or add County/Territory information for a wholesaler, click on the Select button then click Save.
