

# DIVISION OF ALCOHOL AND TOBACCO CONTROL

**Mike Kehoe**  
Governor

**Mark S. James**  
Director, Public Safety

**Christin H. Templeton**  
Acting State Supervisor

February 20, 2026

The following special permits have been issued for a new primary or secondary license application that was received during the transition of our existing, legacy licensing system being shutdown for conversion on Friday, February 13, 2026, and the launch of our new license system on Wednesday, February 25, 2026. The license numbers indicated in the table below are **temporary** license numbers only. Permanent license numbers will be issued once the information is keyed into the new system after its launch. Please note this list does not include special permits provided to licensees for temporary events, such as picnics and catering events. Copies of the special permits provided to the licensees identified below provide additional details consistent with a permanent license.

| Temporary License # | Legal Entity Name | Premises Address                          | Issued Date |
|---------------------|-------------------|---|-------------|
| 202602-1            | MD BLUFF LLC      | 4806 WEST BLVD,<br>POPLAR BLUFF, MO 63901 | 2/19/2026   |
|                     |                   |   |             |
|                     |                   |   |             |
|                     |                   |   |             |

We appreciate your understanding during this time of transition, and we will work to enter paper applications as quickly as possible upon gaining access. If you have questions about a particular license, please contact the local district for additional information. [Contact the Missouri Division of Alcohol and Tobacco Control \(ATC\)](#) or (573)751-2333.

Respectfully,

Christin Templeton  
Acting State Supervisor | Chief of Enforcement
